Dearest

a bunch of the fellows at the shop decided to dine together at this place tonight, and while we're waiting for the bunch to gather I start the evening epistle.

Just had a letter from Sonopah, and am requested to be on hand to open the building at 6 30 A M the morning of Sept 7th - all of which means that I'll see you in at least two weeks.

after all that this will be continued in our next. It's a good tho't to eat on.
