Sweatheart -

Glory - I'd a lot rather you'd be right here so's I could talk to you, and kiss you in between times, " kuf yuh all the time. I miss yuh at noon too. See - don't it beat the deuce how easy it is to get used to having you and how hard to get used to being without my lover!

I didn't like comin' home even with those peachy girls Wed. night. The goodnight was heartless + the walk home was long and awful, even tho the kiddies did keep up a lively line around me.

Yesterday afternoon I took one

of the girls over to see Mrs. Hawkins.  
she fight's on now over Isabel  
blavin from Sonopah, so it  
you can get some good licks  
in there, hurry, sez I.

Dorothy Patterson & Margaret  
Hesson are ours I'm sure.  
Dorothy was with Mary Raitt  
this morning, but came over -  
excused herself from Mary - to  
say Goodmorning to me. I grabbed  
her for the rest of the morning.  
I've got her & Isabel blavin for  
Sunday aft & evening. I guess  
it'll be Bowers & a weenie  
bake. Wow - all I talk is  
rush! Last night we had a  
theatre party & chafing dish  
at Mike Cameron's; tomorrow  
a luncheon at Helens; immediately  
after take three of them to call  
on Mrs. Hawkins; y. w. tea & part at  
cunices in the evening.

Last night I told this youngster  
from Sonopah what was what.  
Curly says she's begazed to a  
man in Sonopah. She'd  
had heard about you going  
to teach (you must have  
trained my pen to buck on  
that word) "just a young fellow  
graduate of the U etc".

I'm sending you another  
piece from the paper what  
maybe you've seen.

Today Rich & McQuiston saw  
let m beat it over to me,  
so they came a runnin'.  
looked serious as all time,  
crowded around sayin' "now  
Rich let's not take her in. If  
you do I won't join the lodge. She  
doesn't dress right. She's got one too

many freckles' - etc. Those  
kids are the limit. See  
they're fun!  $\Delta F + T + HPO$  is  
A1 combination.

Tonight in about 2 mins.  
the girls are due & we're  
going to practice Pi Phi song.  
Miss Brown asked that there  
be no real parties tonight.

So, honey love, goodbye. I'm  
so terribly glad I got to see you  
before you went to Sonopah &  
that you didn't go to Boston  
right now without a job. Be  
good to you Tommy dear first,  
& in that way you'll be  
nicest to me.

Odde 7 X V V X

Yours for keeps  
Sneaky.
