Saturday night.

My onliest lover -

Yep - all of it came today, and Eva has her recognition pin proud as anything! She won't even remove her coat. Costen $\$2.75$ (I made a mistake) + you're payin 1.40 and soon as I see Bert he'll make out a check to you. See - you're a thoughtful man about what folks would say - and you're a dear! I'd never a thought.

Eva will give "dearest George" his money.

If you'd a been to the dance last night. Oof!! Good it was a good one! we got stuck in the mud comin' home; sure nuff stuck, but Bert's a genius. Now I see of him the more I know he ought to be labelled + H P O. Don't know what was in

the air last night - sumthin' - cause a bunch of the fellows went off on a time afterwards. Rook appeared at the dining hall this morning in his dress suit. Sharkey had started at the dance - that's the only one I know about that I cared about, and I did try

there to get him ^{go} to ~~home~~ me with Bart
and me. He was awful funny but
everybody didn't have any excuse to
laugh at him. Perhaps tho. most
people didn't smell his breath.
aw well, Sharky's a trump just the
same - only think what he'd be
with that!

Creeps & Ruth are waiting to
take this. They are as impatient
as when you don't leave right off.
I been working since 8 this AM
and I'm kind a tired so to
be so sorry dear. Guess I'll
hold that office job down by
working all day Sat & Sun
& after school. I'll show em what
can be done cause I'm going to
graduate!

Lovin you, lovin you, lovin you!!
X X X X X Um - m so hard!

Jep - you're just your own
as sweet & Sneaky
"attractive" as
ever to this
Puro girl too.
