Sneaky my Love:

Say what do you think - I'm just now going home from this damned school house and I've been here since 9 this morning captiv' an' shov' for a big turkey feed at supper time. I'm just naturally sore that's all for being imposed on and for two jits I'd throw up the job and start in muckin'.

I didn't have the heart to pass up a letter to you tonight tho' after a letter and a telegram today. Bless you I know how to get results now.

Home to a big cigar the daily papers, a bath, to bed, and dreams of my Sweetheart away off in Reno and working awful hard.
So long x x x x x Yours Sam x x x
