

T.P.W.

After 5 days, return to
TONOPAH PUBLIC SCHOOLS,
P. O. Box 507,
TONOPAH, NEVADA.

(Tonopah Invitation)

Ruth Ann Pyle,
629 Lake St.,
Reno,
Nevada.

Thursday afternoon.

Sueky Dearest,

Say someday let's you give me a chance to do something that you don't "top" a million miles. Here I get a brilliant hunch to send a K.C.B. letter and you ~~let~~ better it with ~~one~~ eight times as long and as much more cleverer, as Irwin Cobb is cleverer than Sammy Unsworth (Bless his heart.)

Oh I meant to tell you that last night was the Ellen Charity Ball and Bazaar, and I was among those present. It costs a heap for Ellen Charity even if a \$1 - ticket was given to me. But every-

body was there, and I made
real merry, and enjoyed it too.

Sharty is grateful for
the info. that came in time
to be awful late. Wonders if
his next request can elicit
quicker attention. This isn't
a reproof - far be it from
me to reprove you - but.
Sharty is awful bothersome
when something is on his mind.
Well he wants to know now
if Isabel wants a mandolin,
or a Ukelele or some sort of
a musical instrument like
that, and he wants you to
find out without letting
Isabel know your finding
out. See !!! x! x Shout
yourself about the matter.

Gonna take Rev. Percival
J. Smythe to dinner this
evening, and its a short time
till then. Under the circum-
stances I should be going.
but there remains something
to tell: -

Ellsworth Bennett and I
made the invitations to the
Banquet, and my name happened
to be among the bunch he
made out and he naturally
made it out Mr. & Mrs.
J. P. Walker. Very well, the
next day he and I went to
the P. O. together, and I got this
letter. Of course, we had a few
remarks about it, and while
we remarked he grabbed the
letter - put an extra stamp

on it, and readdressed it
to 629 Lake. It went to
Reno all OK. but some bird
shot it back to me. Here
it is with this. I wonder
if Mrs. Miller refused to
take it or did the Reno P.O.
do it.

Sure enough gonna go
now, honey kid. By the way -
one week from tomorrow
morning starts the journey to
a week of blissful bliss
Whoopie - ee - ee. Nothing
matters except that.

Sure here's a kiss and
a big squeeze and a awful
loving -

XXXXX Love Dom XXXXX
xxx

Mr. + Mrs. Tom P. Walker
