My own Sweetheart -

again afore I tumble into
bed. here's goes the last
word to you. Went to the
△△△ reception tonight and
really had a good time
doing a few licks at
rushin'. We went late
on purpose.

she honest-to-goodness
fun, tho, came afterward
when a bunch of us
landed at the Riverside.
Oh! with the best kind
of music & floor, I was ready
for a good old time a dancin'.

In our immediate crowd were Silley, Ida, Elsie, Bob, Otto, Lyle, + Doc. But that's not all - benches + benches of University people. All of us were having loads of fun, when in walked Presy, wife, + some Regents. Presy spoke to me awful solemn like! I should care - I can see what's comin' tho, even if he does go to those place himself on preference.

Honor students - not so many this year by a whole lot. π & I didn't saw even, only we had the gold medal to boot + that's some. Not one in our class where a π & got honorable mention. She \$50 scholarships went something like this - Magdalena Kertschy, Phoebe King, Dorothy Hampton, Tom Edsall, Leah Barker.

The cane rush today entirely changed history. She trush won! She sophs tried no crooked work, but attempted to rush thru with it, and a grand pile up spiced with personal scraps resulted. The soph. girls made all Fresh girls wear sunbonnets to the rush. Had some scrap there too. The Freshmen

Did I tell you I went with Bert
last night? He says maybe he'll
go to school next year. That's all I
could get out of him.

I must get to bed or else I'll
never meet Ida & Lilley at 7:15
for a 7:30 breakfast at Kansas.

(Mrs. Miller quit boarders today,
only I'm a part of the family so stay.)
Goodnight my sweetheart and
here's love and love for you
morning, noon, and night.

Yours
