Tuesday Night

My Love -

a hurry up good night before I roll in.

Still up in the clouds, Sweetheart, just after a rehearsal of the show. These Haverhill people are sure there a million. Took me home in the car tonight. Um - m - m - m -

Say I had a good old letter from

Geo. Campbell today. He took the trouble to write two pages full of news, and wishes for success. Said among other things "we hope to have you here with us someday." If that could be about eight months from date I'd sure kick my heels around. I'd like to have George ask - for me for a time only. a better job than this in Reno, then better still somewhere else, and then were on our way.

Didn't get a letter today but those two wonderful ones yesterday can't leave me for a long time.

Good night and with it a million tender little kisses, and oh a lot of big monster hugs -
