Tuesday Evening

my Dearest TT ☺,

Sure I got 'em all today - and didn't  
ja know I was a TT ☺ long ago. Guess I  
was here goat 'bout enough wasn't I? Really  
I wasn't a TT ☺ goat, I was your goat,  
and enjoyed it. I'd be any kind of a thing  
for you - sure emf-

your letter today was very joyful -  
and that makes me glad. I know  
again that your big clouds are turning  
around. I know too that the fore-  
bodings that you aren't doing everything  
just right, have gone too, and that  
you are on the win.

nothing exciting happened to me today  
'cept a haircut, and a lot of work. I  
like to work hard now, and hope soon  
to see the results roll in. Right now  
I'm to study a wee bit then to bed.  
Goo' night Sweetheart - arcs way<sup>out</sup> - eyes  
telling a world of love - and lips ready all  
for yours -  
xxxxx Lover Lam xxxxxx

Does this mean that  
I'm not to have a letter  
for three days? I'll  
say "no" to your bid  
right now then - 'cause  
I want it hear - see?  
Aw' right I'll be a pie face.
