Dear Tom:

Your letter of the 14<sup>th</sup> came today and I was very glad to learn that you "landed" O.K. and that you are well satisfied.

You will find, as time goes on, that you are with one of the finest of organizations - the best to my notion - and working for them will be a pleasure. Stay with it.

Everything here is as usual though gamma is gradually breaking loose from us. Mr. Shaw, his successor assumed charge today.

I damaged my right hand a week ago so writing is difficult.

I offer this as excuse for short letter. Write me occasionally about you.

yourself.  
with best wishes for your  
success Love

Yours  
Hera Lybore
