Tom, this is ^{what} I wanted for you
to read, ~~now~~ ^{while crossing} Salt Lake, - or any way
the first day out, - today your
birthday!

You.

"If you no more should love me? - you?
It takes my breath, a thought so strange
as that aught earthly could your spirit woo
So change!

Remote from doubt, I dwell secure
In faith all minor faiths above,
So do I trust, so live, in your
Incomparable love!

I laugh for joy to think how much
a question would your nature wrong,
Whom Heaven created, with a noble touch,
So strong!

Nay; doubt, for me, new born
were over

not, not ~~that~~ I am I, my lover,
But just that you are You!"
