Lovey Dear,

Swayne says we gotta
hurry to get these 77. Very
unexpectedly I came (at the
request of Presy) with
some material for the State
Printer. Now I'm at
Swayne's and won't go
back until tomorrow
night. Garnet Robinson
& Row Evans are here too.
Selen comes tomorrow A.M.
Here's my love, honey dear,
and the best wishes
possible for your 4th. Next
4th maybe we can spend it
together. Hooray! You, oh sweet
kid.
All your Jessie (crossed)
