My Sweetheart,

now what you think -
I've been to Chicago - and
they took \$5 away from me
for a berth, and now I'm
on my way to N.Y.C.

Chicago is a big city -
you bet. Kinda stiffles a
guy just off the desert, where
air is free. Setting cold
feet about living in Boston al-
ready. Hope Danny's nice
to me or I'll turn around
and come back. Guess my
castles are too high to bump
out the bottom like that.

Have to quit - my pen
might slip and then I'd say
d-n, and I wouldn't have
you hear me say that for
the world. You sweet thing of mine,
I'm loving you Suesley Sam, and
wishing a year away awful fast. Love Sam
