

Miss Ruth Ann Pyle,
629 Lake St.,
Reno,
Nevada.

Wed. Eve -

Sneaky Love,

That's 'cause I got two letters to -
day and also 'cause I've just been to a
Pops concert. The "Pops" orchestra is a
small fraction (about 75 pieces) of the
Boston Symphony Orchestra, and they give
these nightly concerts in the Symphony
Hall. and they're very - very good, and they
cost two - bits (paper money)

Nothing else particularly happened
'ept I ate breakfast - lunch - and dinner -
worked a mere matter of 7.5 hours, and
smoked my usual evening pipe.

I wanted you tho. today just like
I want you every day - and just like
I'm gonna want you till I get you for good
and keeps. WE can make up all this lost
time 'cause think of how much better pre-
pared for it all we will be. Hugs and kisses for my love
