Reno,

Sunday Night.

Rufulus Loue,

Gotta write you a note cause
maybe for a couple of days I ~~can't~~
can't - see!!!!

It pretty near rained all day
today, but didn't, and Jo and I had
a great old time at Wellesley. There's
a campus is beautiful - wonderful
big trees - lakes - and a great deal
of grass. WE walked to East Natish,
about two miles, then got a canoe,
and rowed a couple of miles more up
the Charles river. Bosh it was great.

Bannum & Bailey's circus is
now set up on ~~the~~ ^a lot close to the
ym. and crowds have gathered around
to look at the tents, I guess. They
started early this morning, and still

they come. Who said the saw dust
ring is going out of date?

Tomorrow morning we start the
big hike. Don't know where we're
going but we're on our way. I'll
tell you all about it later. Hope
I can get your letter before we start.

Here's a good night kiss for
you and a real lonesome Sunday
thought. I'm loving you more and
more and want you scummin awful.
