

TECHNOLOGY CHAMBERS  
8 IRVINGTON STREET  
BOSTON, MASS.

Miss Ruth Pyle,

629 Lake St.,

Reno,

Nevada.

Tues. Eve -

Honey mine -

Two wonderful expressions to  
conjure with today, and conjure I did.  
I read 'em and dreamed - then read 'em  
again and found more dreams. Sleeps will  
find a pile more for me, and tomorrow  
morning another "read" will send me  
along a good old day. Isn't that a nice  
program?

S' hot today and sultry. That's the  
big drawback here.

Nothing new has happened. Things are  
rather slack at the office - so we just  
dream around on work that really doesn't  
need to be done. It is now that Danny  
gets a chance to see what a fellow's got  
aboard.

Here's a great great love in a tiny  
space. Do send me the poem "when the  
lights went out." And Sucky - may I see your  
Artemesia for a few days? I'll send it back.  
Good - night Sweetie - my love to you -  
xxxxx Love Don xxxxxxxx
