Thurs. Eve. 9 o'clock

mine own lover Tom -

Your telegram caused some excitement besides making me happy. Ruth brought it to class during my 8 o'clock. Vivian Engle sat next me. That bunch is terribly excited about our departure anyway.

And I got the best boss ever ^{breathed}. I told him about going away tomorrow night, also about leaving the 17th. And he told me to go ahead! That I was getting a wonderful lot of experience this year and he hoped I'd get a lot of fun besides. When I got my check this AM he had turned my time in for \$50⁰⁰ + here I expected to see a \$25⁰⁰, I saw the light then.

I had dinner with Miss Brown tonight. Since 8 o'clock I've been writing like a nutt - 7 letters - one

to Judge Norcross & McCarrahan & others.
to Pi Phi on the coast. I won't be
here for their meeting (Social Hall)
on Sunday, but I'm getting 'em
assembled anyway.

We'll dance until the last minute
tomorrow. Bart said he'd have his
machine ready to throw us in in
a jiffy. Ooo! I'm all excited ———!

We got some hunch for the
Artemesia. Cooked it up tonight.
Watch for the "Artemesia Queen."

Goodbye lover Tom. I'll write
you just the next minute I get.
But I'll be thinking about you
all the time and wanting to
love you up real close!

Yours forever
