Hail to You, Duke of Sweaty Hearts!

Wid da careful und
diligint study of dat Mick
Sharkey und his Wago Clerk
& wive, da tail end ob
your letter what you sends
me remains "Colleen no
Pogue" — ach! nuthin more —
but we all got plenty
good guesses. Und I thank
you!!

I am sorry wid my
eyes I did no write you
lat'da night. But mit

your dogs intellectuals
(something closely related to
virtuals) I take unto ~~to~~
myself you got my reason.
You not thinka me so slow?

Tonight if yo were here,
maybe you + me go to
pull-candy, but now I
have to go with some one
other body. But I'll eat
so much as you + me !!

You ver a good at the
dogs, — but — the Irish
will out! That Mick Sharkey
has lotz of things to deliver
to you cause I gived 'em to
him + he promised to keep
'em all for you! So don't

look for an overdose in
this here letter.

With this I take my
usual leave —
leave for Italy to study Lago
+ some Irish, so you can't
giva to me such another
Spank. I'll giva you one
too, — & Co (get some stenoga
to translate.)

So thinks

Your

Ruthie.
