Tonopah, Nevada

Miss Ruth Pyle,
629 Lake St.,
Reno,
Nevada.

Six days since Saturday.

Sneaky Sweetheart.

This is going to be an awful crying letter, and if a few big wops get on the sheet it's because they sneaked past me. Maybe I'm looking for sympathy. I don't know, but I'm the loneliest I've ever been in my life, and the single reason is because it's been the longest this time of any, since I've had a letter. If you'd only sit down a minute and say - "Somme Darlin' I'm awful busy, but every once in a while I get a flash of you, and it makes me feel good all over, and here are some kisses and a bear hug" - if you could do that I'd know right a way that "God's in his heaven and all's well with the world" It would kind a take away this lost feeling. I'm gonna keep on writing till the letters come back unopened anyhow so there!!! Enough! Enough!

Ren's girls play here tomorrow evening. McCubbin is coming to referee, and I'm going to make him show my boys how to play basketball. Sneaky wrote for the chances at

a job here, and I wrote him to come along.
He can help a lot too, if he gets here in
time.

next week is tournament week. We
are having three teams from the outside
here, and blime it's some job. In addition
we're giving a show at the theater, and that
whole thing is an m^o. I've been in
this school from 8.30 till after 10 for
a couple of weeks now, and in that time
have been out once I think. After next week
absolutely rest, and quiet, and so on, for your
Dommie.

I've decided, since I got today's Sagebrush
that the next Art-E. mesa is to be
dedicated to Ruth Pyle because Ruth
Pyle deserves it absolutely. Accordingly
I have pledged my self to send in ten
paid up subscriptions within the next
ten days. That's 5,000 votes and should
help a lot.

you'll certainly write before you get this,
and I'm never gonna say please again. Guess
I can talk to you even if you are dumb. I'm
lovin' you tho' Suesley - awful hard - and I do need
to hear from you everyday. xxxxxx Love, Tom xxxxxx
