Nevada.

Thursday night.

Sneaky Sweetheart.

Just came from a bum show - have my
pipe piping hot, and here goes a tender
word to the sweetest girl in all the states
and what I'm saying is truth.

Can't arrange my vacation till I hear
from you, but I'm taking a chance you want
it next Friday, despite all weather reports.
would you refuse to see me then if I
happened in? Betcha you wouldn't - 'cause

I wouldn't let you.

Taking it awful easy these days so
I can be all rested up for the week
in Reno. won't you do the same? I'll
want to see an awful lot of you - more
even than last time. Please don't leave
anything to do at that time.

Ought to hear from Boston
about tomorrow. what will the harvest
be? a bumper crop maybe.

So' night stor of the north - I'm
coming awful soon to love you and love you and love you
xx x x x Love you x x x
