wednesday eve.

my everloving Sweetheart,

Two things cannot agree.

Here I get up at 6 o'clock, and labor hard to get myself into prime trim for a certain interview to be given about July, and then I go to a card party that keeps me away from bed till two. Result - a dull, drowsy, old day full of yawning and eye-batting, and to end in bed at 8.30.

It was a great little party however. Really I don't like bridge, but the party was just the sort that made for a good time. And it was a party of real people - that's what counts.

Two more appearances and the week is over. Today I was cajoled

into singing for some sort of a
show at the air dome on Friday
night, and Saturday night there
comes a party that I am real
keen about. Mr. & Mrs. Bob
Richard and Mrs. Richard's mother,
Mrs. Vergow, entertain and they al-
ways have a great crowd of young
people. Next week - "Nights Ten."

I've decided now that I'm in
active training for the lion's den.
I'm gonna get myself in excellent
trim physically and mentally, and -
with two weeks with you -
spiritually too - then the supreme
ordeal. Next year this time

the same condition will prevail -
for I'm coming to you with
absolutely the best that's in
me. Happiness, contentment, joy,
hope, and over all love. I'm
in training for you right now, and

if anything in this world, can
make me a real man, and big
enough for the name, it is the
fact that you deserve, and
can afford to demand, the best
there is. I'm never gonna let
you regret being hooked while
you weren't looking.

Rich started on a steady
job this A.M. He worked a
few shifts extra at the west
End. Then there was a few
days till until this morning he
had three places that he could
start in. He chose the Extension
very wisely. Soon he will be on
the Electricians staff and in line.
He is sure a good kid, and I'll
remember your request that we
always write to him.

Just to show you I haven't
forgot - your birthday is Sept. 8th -
ab-ha.

On this nice clean page
is going nothing but love
words to my own love. It's going
to tell her that I cry out
for her lots of times, and
dream about her too, and every-
time a thought of the future
comes in, it's shaded with a
wonderful present. No plan
that extends more than a
month can be suggested, but
what you are the main figure.
you and I and Someday are
the big Trinity but the greatest
of these is you, bless you.

Here ^{is} ~~are~~ a pillow full of
kisses for under your head tonight,
and a great big blanket bag to
make you feel warm and cozy, and
secure, and sure that Dommie is your
true love ~~and~~ always. * * * * *
