Thurs. Eve.

My Dearest Love,

nothing new is developing
'cept that more people are finding
out that I'm leaving, and of course
have to ask a lot of questions. Have
lots to do before then too. Paying
a party call tonight. Several dinners
coming too. The one Saturday eve.
is at Dorothy's. Perhaps you
will hear all about it. Some
say will thank these people eh?!!
Wednesday's the day from all
appearances now. Have to stay
till the inspector gets through.
That will leave only a couple of
days for Reno. Gosh I want a lot.
I'm coming as soon as I can tho

and blame I'll stay till the
last day - sure -

Glad I'm past all this
politics stuff. It really used
to get my goat - Didn't like
it a bit, but had to do a
certain amount of it. your
story of the Sigma alpha - Pi
Phi soup was good. what
did the P.O.'s say about it?

See you in a week Sweetheart -
and then for as long a time
as possible till the last big
stay-away. Sosh I'm going into
this next year with a sight
of pep, and hope, for you and
me. we'll make it I know, and
the best of life is due us for
our long old waits. So long Sweetie.
