Wed. night.

Hiels Sommie -

On my knee I write to
thee - tonight. Oh, - way
past our bed hour -
11 o'clock! I've been to
Hendricks & they just brought
me home.

I'm much in love with
the house and my
room in everything about
it. Mrs. Hendrick is going
to try to board me for
a month, but the work
in everything may be too
much. Truly tho I don't believe
she'll find me any extra
trouble a tall. - ahem!

I've been a tramp ch - ild.
~~today~~
~~thought~~. Mrs. Hanson has been ill,
so I ate down ~~the~~ town this noon
with the girls. at 5 I went into
Oakland - and Zommie dear there's
nary a pajama - pyjama - what
slips on over your head. You said
you wanted "catton" flannel,
and Oakland just isn't that much
up. They had summer knit,
but I knew it would take
three at a time to make any
impression on the fog. Watche
pay that we look for em in S.F.

Saturday afternoon? Or were we
going to the ball game?

Here's my new address:

2838 Benvenue Ave. - Berkeley.

9. a. W. Hendrick.

Phone - Berkeley 3601 - hooray, we
can talk. Only tonight it was
out! So I guess the best
arrangement for this week will
be for you to call me at the
office Sat. I'll stay right there
until I hear from you.

I'll try to have my things ready to
move Sat. morning.

I'm jumping up 'n down
cause Sat. & Sunday are coming
soon now! I'd be anxious
to hear all about your week,
and if you can get away.
If you can't, I'll come out
sometime + drop some french
pastries for you. Yummmmm -
I had one in Oakland tonight
that would make you purr
for a week! So see you
all drill Monday afternoon
was wonderful!! Hope we
have another day if so Sean
come out - I can hear you
shouting the orders now.
I still am not afraid of the
strength of your arms, - even
with another weeks training.
There are a lot of microbes in
here - "Sommié, clean your gun."
+ I want to see you devil kid. - Sneaky.
