Wed. Eve.

Tommy dear,

Your fine young letter came yesterday.
So the article was about me? Ugh! Tommie,
look into my eyes and tell me not
that they are blue. Well - anyway,
you're the nicest lover anybody ever had!

Have you had a good week Tommy?
Me too!! This is the bestest home
and how I hope 'n hope that I can
stay. Oh, it's peachy! So and come
from work in the car, - living a
"regular" life.

Right now Mrs. Hendrick says there's
no reason why you can't stay Sat.
nights here! Hooray, L.D., but you'd
like it. I can sleep with Kath and
you can have my room — Mrs. Hendrick
said so! This week there'll be an
extra bed anyhow cause Mr. Hendrick
leaves for L.D. on Saturday. So you

plan to stay here. Why can't you &
Otto ^{Har}ock come out here Sat. aft
then she'll say something about your
coming back for the night. I'll be
home here then Sat. by 2 o'clock.
you leave the Presidio as soon as
you can - take Shattuck train at
the Oakland Pier (preferably Key Route)
and ride to the end of the line.
(Well, now I'm thinking I could meet
you there.) From there you take a
"College" car, getting off at Russel St.,
and come down (west) 1 block.
2838 is on the corner. Guess

maybe you can phone me Friday
night between 6 & 7 - Berkeley 901 -
and tell me if you'd come out
here or whether I meet you on
Shattuck. Any way you'd stay here Sat. night!!
Lots of things have happened this week
to tell you - and mail. Hurrying a
note to Frank tonight as he wants my
phone number. He'll be here Friday.

Here's a goodnight, Jammie, a
genuine one - better in any French
pastry. Your own
Breaky. (with all the trimmings).
