Tues. Night. 19__

Hello Suealay -

Well we're having a strenuous time. On the run absolutely from 5 yesterday morning till 9.15 last night. Started out today the same, but they've given us tonight to clean guns, bottles, shave etc, and then a full day tomorrow.

I'm not a bad shot either, Suealay. If I can do as well in the record shoot tomorrow as I've done in practice, I'll bring a badge home to you - maybe one little ed had. Last night we shot by the glare of rockets and it was fun!

See the tents looks pretty in the moonlight. Tents for 350 men on the hillside make a pretty sight. We sleep on straw ticks and cots. Didn't go well the first night - but last night - oh my.

The Y.M.C.A. guy came to - night to cheer us up. Brought an organ - some candy and his writing material. I'm improving the time by writing a few letters. The organs going tho. and I'm wanted to sing - Can I go? No tonight, and. I'll try to call up Friday - Good-night Sweetheart - Love You.
