My Sweetheart,

Thursday Night.

It seems as tho I've missed a letter - one that told about a projected Summer party. You didn't acknowledge any pictures either - maybe that letter did that too. Where is it? - I want it a lot.

the newmarks and I just planned

a week's vacation on
a farm in Maine. We'll
work out our board-
get toughened up a bit,
and have a good time
to boot. I'm wanting a
change right now anyhow.

Tomorrow morning is
the draft. I'll not
know for a long time
where I stand. I'm
still thinking tho'; Surely,
that it's best for us
that I be an orsifer.
You're wishing that too
aren't you? Then you'll
be a sure nuff war
bride. I'll read a bit

bride.
 want to read a bit
 before I get in - so I can
 go eh? I'm loving you
 too - oh so hard & & x x x x
