Sweet wife o' mine - Have
an awful "Suealy" feeling
tonight, and gosh it makes
me lonely all over. It's
been a peach of a day, and
I've spent it at work.
Sunday too! Then after
supper a swim that
took till heavy dusk. And
then the feeling got real
bad. The river is beautiful
and the sunset was
gorgeous - and the moon
was full, and as bright as
day. All I could keep in
my head was the that.

of camp - a canoe - and you.
How wonderful that would
be thought. would you like
to come over and try it?
would you get scared if a
gun went off? then you
better not come.

after the swim, the majors
and I went to the church
for a concert, and we sure
had it. See it's a wonderful
place to sing in - your voice
seems to fill every crevice
of the great old place. Ho-
ho - it's a lovely old way,
but you just wait till I
come home - Oh. Oh -

Here's the address of
the sister of a 2nd Lieut.
who has just joined our
Co. He's a pretty fine scout
altho' typical New Yorker -
attended Columbia - and is
a mighty bright kid.

Her name is
Miss Frances M. Shingo,
223 W. 106 St.
Academy 123

and she makes tea gowns
and lingerie - makes stuff
