My dear Dad & Bert,

I've a letter written to
you home - but it's a
long time since I wrote
and every thing is so
handy here that I'll just
say hello.

Saw Gen. Pershing present
a bunch of DSC's to the
mourners & Regulars who des-
troyed themselves at
Bataillon de Belleau and Chateau

and some fellows I knew.
and landed up in Paris -
same in the morning -

The country is wonderful
and Paris as always is a
spirited old town. I always
have more pep if only after
only one day here - Love & X's

note - not long - but
it tells you I am
having a bit of fun -
