

April 10.

Dear Mother
Last night Ann
had the recital
there were many
people in the
rectal. These pupil
~~and~~ teachers
were Miss Jewells
(Harned) pupils An-
dy did fine. She
played The Squ-
ireels at Play.
There was a little
boy there and
he couldn't sit

down ² on the
stool. Miss Jew-
ell was telling
the audience
who was going
to play and
what they were
going to play.
She said
he was going
to play The Squ-
ire at Play.
He went up
to Miss Jewell
and said Don't

³
you remember,
I'm going to
play Grandfather
clock too. Then
Miss Jewell said
to us, "you don't
often see a
person who asked
to play an extra
piece. He certain-
ly did fine.
The whole fam-
ily went to
the recital

except daddy
 We had to go
 to a meeting
 at the parish
 House.

Yesterday in
 school Andy
 gave a play.
 In Geography
 the teacher
 said whoever
 made up
 the best

play, she might
 let them have
 it in Forum.
 Andy was the
 best, so yesterday
 she gave it in
 Forum.

We got our
 report cards
 yesterday and
 I didn't do
 very good.

6.
my costume
certainly is
pretty. I told
Mrs. Niel that
you were going
to rent my
crown. So she
went to the down
shop and there
is a crown
there just

7
like she wants
it. It is gold
with gold leaves
and lots of
diamonds.

That material
for the veil
came yesterday
about Monday.
Nanny took it
down to Rose-
thals, because

8
she wanted it
percode an she
edges Nanny
went down
there, and
she found
that Mrs.
Switzer was
terribly ill.
That she had
come back to
work too soon

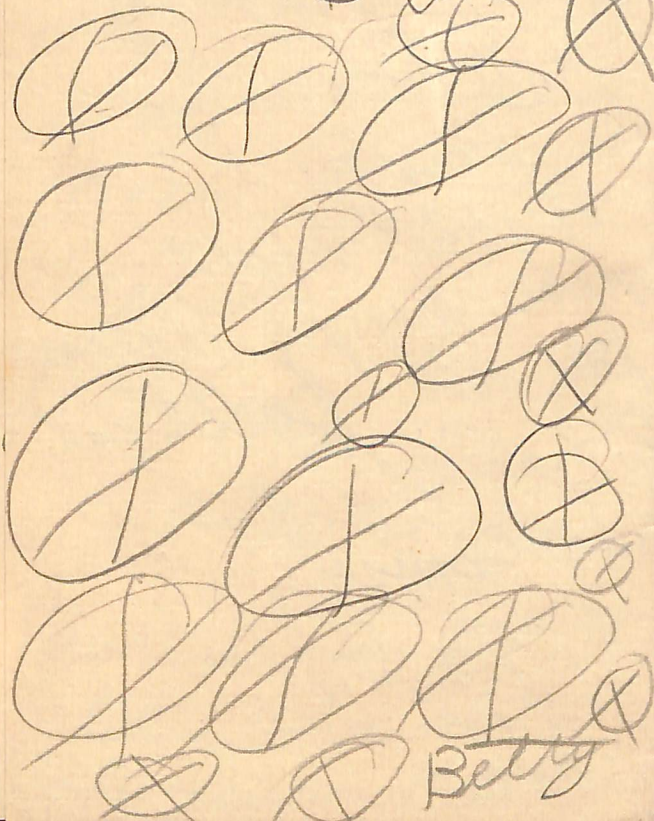

9
(You know who
in she was
sick last time)
They said she
got up too soon
and had a re-
lapse.
How are you
all getting al-
ong! We're get-
ting along

Just fine. Today
I am going with
soon other
girls to Mill-
ard School,
to give a Forum
program

Do you know
when you'll be
home yet
Please write
everyday like

doing, its fine.
Be back in
a hurry
Night Night
Have happy dreams
Be the bestest
one in your
dreams
Sleep tight
Don't let the
chees, mees bite

night night.
With hugs and
Kisses. ⊕
