

Between us two

July 15, 1931

Dear Mommie,

Yesterday Canary
had her swimming
lesson and she cer-
tainly is doing good.

Yesterday we
started planning
about the party.
Daddy and I decided

to have Margie, and
Carol, Ginger (Virginia)
and Lawrence. Come and
sit back in the black
fast from

Mary. C. with them.
We decided to do
that because Mrs.
Thorne and Mrs.
Winter are going

to ship with my
party.

Daddy got some
innovations and I
fired them last
night so they
will go off today.

How are you
getting along? Every
one is fine at
home. Ruby gets

but my boy
she said the doctor
said she wouldn't
have to come up
more of it what
he said yesterday

We all sure
miss you Love
from everybody But
