

July 17, 1931

Dear Mummie,

The stationary
has been all used
up now. So I'll have
to use other station-
ary.

Just now as I
was looking over
my stationary, I
found a letter in
there to Judge
Spear. (You remem

her him at Ruidoso

It was written ⁱⁿ Sept.

1930. I just put "were"
to a few sentences,
and now the letter
is ready to go.

We got your
letter and we were
sure glad to
read it.

Do you remem.

Keep a little glad
satchel that the
Emels (terrible spell-
ing) gave me when
we left El Paso (When
we were leaving
there) It has my
knitting in it. And
I want to knit.
Did you hear

about the storm
in Caplen. There
was a storm and
in places it
covered the road
so that it was
dangerous to go
by in cars.

Daddy told me
to tell you, he
was awful sorry
he couldn't write a letter, but
he's been busy lately. Love
all,
