April 10, 1954

Dear Gamewells -

Imagine my surprise when I checked into the suite and found letters from Canary and Eva that mother had forwarded from Houston ages ago. I also inquired at the Sherrinham but nothing came forth.

I landed here about two and came to the club for a workover - Had a half hour nap too. Jim to see George Clifford at six for dinner. Did I tell you Irene is in California? Haven't heard directly from Jim but Clyde told me yesterday Jim had been to the office and departed his bit N.Y. early (how early can he be?) Sunday morning. I've tried to get the Browns a couple of times but no answer. ~~see~~ Jim and I will set out for there sometime tomorrow A.M.

also I called Syzy and Rea. will have dinner with them

Tuesday evening unless  
that's the day I select to go  
to Hartford. Izzy said she had  
blood banked Banker's Trust  
last week and Eddie was one  
of her victims. He and Lois  
are ~~lull~~ bitter about the  
gamblers - they never write!  
Just went to the desk for  
some phone money, and saw a  
package there for Mr. Richard  
Doeloffs.

Left things in washing-  
ton in very nice shape yesterday.  
we like the way things have  
gone so far. I'll go back there  
Thursday afternoon and then  
to Houston Friday afternoon.  
Clyde and Jack will have to  
be at the hearing Monday  
after Easter so Jim, Don Wheat  
and I will have to run the  
annual meeting, and Director's  
meeting too, on Tuesday. Then  
Jim and I will join the gang  
in Washington for Heaven's  
sake how long! This seems  
to be a very good time for  
Mother to be away from home.

I'm feeling fine - keep-  
ing my nose clean and  
having lots of fun getting  
things back on the track  
for Trusco. If our luck  
holds out well be on  
our way before many  
months.

I know all your girls  
and boy are having fun.  
yakity-yaking and dream-  
ing big dreams. That's all  
to the good.

Clifford said come at  
six - It's ten minutes  
till at the moment and  
I want to pick up some-  
thing for the Brownies  
on the way - so here I  
go sending all my love.  
and I promise to keep him  
in the straight and narrow  
too!
