Dear Family.

Jim and I broke up housekeeping this morning. He had a full day planned - mine quite leisurely. I've had a warmsover here at the club - did a bit of telephoning had some cherry stones for lunch and now am on my way to the Penn Station to board the Congressional Limited (4.30)

Jim has a letter for personal delivery which I wrote last night after Ned returned from Izzy's.

Sunday night I forgot to tell you about the lovely birthday cake we had for me with ice cream last Sunday. Believe I mentioned it on the envelope. Sue was

good. On top it had one
large and three small
candles.

Yesterday Margaret Brown
told me we had a nice New-
sey letter from Miss Pritchard
so this morning I called
her. She seemed most ear-
dial and told me how
much they still miss us.
Also told me that Mrs.
Spencer had passed on.

Hope to get to Houston
tomorrow night but may
have to wait till Saturday
morning. ^{also} Hope there is a
letter at the Shoreham.

Feeling fine - and every-
thing seems to be moving
along ok.

Much love to all of you.

Daddy.
