Dear Family -

Sure was nice to talk to all of you last night. you sounded real happy. Mother's letter came this morning. I forgot to get the blank checks but will send them to Gillys this evening.

First thing this morning we got word that the hearings were postponed till Monday because of ~~the~~ a death in the family of one of the lawyers. So we don't go up today but probably Saturday afternoon.

The birthday cards are coming and always nice to have. Many of the usual ones have already reported.

I know you will have a pleasant time with the

Oil gilvies and all our
friends in Elko. wish I
could be there with you.

I'll look forward to
your letter at the Shoreham
Saturday night.

Love a lot to all of you.
