Sweet Rufus -
 I'm sure you've already
 had a blow by blow account
 of my wonderful birthday - or
 did I send that to Gillie's?
 If I did you'll see it there -
 if not I'll tell you now it
 was super. Mildred had the
 Bucks and the wheats last
 night for cocktails - we ate
 at College Inn and each
 brought presents. Quite
 hilarious. The office party
 too was exciting with cake
 and coffee and punch banter.
 This was a birthday that
 made me feel younger except
 for your being here. Sure missed ya

Miriam Withers called today - she'd tried to get you. When I told her you were on your way to Reno and one of your objectives was to see Adele she was ecstatic. So you tell Adele hello for her.

Marie Thorne was in the office today with all of F.E.T. Jr's family. Marie has finished her training and is now a registered educational nurse. She is on the night shift in the maternity ward of St Mary's Hospital Port Arthur. All of this has taken a lot out of Marie, but her spirit seems fine.

I couldn't resist the temptation to write you in Reno so I could say my piece to all the lovely Waytons. Don't know where

you will be but I do know
Eddie will! Kap told me yester-
day Pete is coming along fine
and I sure hope that's the
way you find it. and be
sure to give sweet Eddie a
big hug for me.

Tomorrow morning Clyde,
Jim, Hugh Buck and I will
play golf at Houston Country
Club. Jim goes to wash. of
E & I tomorrow afternoon and
the rest of us on the Ventura
Sunday at 12. Jack and Va.
are already there. I'll probably
be in N. Y. sometime next
week too. Do you remember
that we are to be in Lake

Placid about the middle of
May? Don't give it up entirely.
I'll keep you advised.

Dean Pallack wrote that
~~some~~ some one suggested Mr.
Clements of St. Marks, Houston
for ascension, so I am to
start negotiations. Clements
is away till next week. ~~He~~
I'll have to pursue the matter
after I get back -

Nothing new on the Mount -
rose. Culdell said he'd talk
some more before he does
anything definite.

I put some money in the
bank for you today & so don't
stay the full 6 weeks in Reno.
also I sent some blank
checks to Gillies.

Give my love to all the
Daytons and help Pete recover.
wish I could be there with
you - and have loads of fun.
Love a lot.
