Sang in this
place, and it's won-
derful, a little tiny
voice fills ^{the} whole
vast space, and
you can feel it
penetrating each
little niche -
Perfect acoustics.

This is the out-
side of which the
other is the inside.
(Just like that
definition of water -
the stuff they
put under bridges
or that which
without a
fish would not
be what he is)
