Sneaky Mine.

Sunday evening - after a sleepy day. You see we've been having a horse show at Newvied - and Brown and I went down both days. Then last evening ~~we~~ went on to Coblenz and spent the night there entertaining and being entertained at the Signal Officer's Club. And this morning we got up before breakfast to drive back home.

I'm commanding B Co. again. That Company will get dizzy the way it jumps from one commander to another. Capt. Cox of C Co went for a four months course at a Radio School - so Capt. Burns took C Co. and I took B Co. Somehow or other the chance to be made a Captain keeps cropping up. But it is a mighty uncertain thing in this man's army. It would give me a lot of personal satisfaction to come home with two bars, but I'm ready for it right now.

Got the Posts from Feb
1st & 8th today - Thank you. and
I'm sending a Star & Strips -
Guess you get them all right.
also I'm sending to John & Jodie
Hendricks a Helmet and an Iron
Cross, to Catherine a hand washed
sallar, and a small picture to
the Folks. Hope this box has
better luck than yours. You
never got that Helmet and
gas mask I sent did you?

Guess there's no news for
you, sept I was just looking
at your Christmas present again.
See it's sure swell. Hope Freddie
comes up so I can show it to
her. Oh I was so busy looking
at it I forgot to tell you that
the 1st Div. won the Horse Show.

64 to 53 for the 2nd I think. Fine.

Going to bed now Kiddie - goo.
night. See this Spring weather gives
me an awful longing. Haven't been
with you during the Springtime
since 1915 I guess - That's a long
time - You just wait - I'll get
you yet. Lots of love Sweetheart -
