March - 28 -

Evening Sundry ^{did you get Sunday picture?}

Just in from a French
vaudeville show - "oh-la-la"
and it was mighty good -
Kinda crazy like French
shows are, but there was
an excellent violinist, and
a beautiful danseuse -
but she was graceful. A
~~gymnastic~~ gymnastic exhibition
by three one-legged men was
good too. Only a light re-
freshment after a busy
week.

You know the battalion
had the post ^{to lead that} ~~partially~~
away for having the ~~house~~
transportation in poor shape.
~~That~~ same day I took over
B Co. so I had a job on
my hands getting things fixed
up. This morning the General
made a personal inspection

and all's O.K. Believe me
that's a good two weeks
work in itself. Then I
got the History fixed up
for sending - assembling -
telling - editing - a pile of
work but that's done, and
they say it's good. More
relief. And tomorrow morn-
ing four of us were to get
the Croix de Guerre with
palm - but it's postponed
till next week. That would
have squared up the week
in good shape. and squared
a years worry for you too
yet a little while!

Tomorrow afternoon Frank
will be here. He called up
today from some place a
long ways off - said he
didn't know any more where
he was than I did. But
he'll be around in the

afternoon, and I'll have him here a week or so. I'm sure anxious to ask about you. Too, maybe next week I'll have a chance to look up Gladys Woods. Too busy this week.

Oh Kiddie we're having awful weather - rain and snow and cold and mud and wind - and everything 'cept sunshine. But march same in like a lamb so you know the answer.

Frank called up this a.m. and I wasn't there so Col. Harsley talked to him. He started to crab about not getting a hold of me for three days, and said "Take this message". When he asked who it was speaking, and the Col. told him. "Oh my God" says Frank, and says "I'll call again". We had a good laugh over it. Guess he's afraid of colonels.

Boy did I tell you that neither Capt. Brown nor Cox are here now, but I'll get in touch with them and find out about the pictures. Just keep the money - if there's setting to do - I'll do 'em here.

You've got ahead of me on reading matter - guess I'll tackle some tonight. Aw right -

otta love to my Sweetheart - I'm waitin' a heap to see you - gosh how I want you - and I'll get you soon too, you Sweet wife o' mine.
Love me lots
xxxxx Love, Tom xxxxx
