Bingen on the Rhine.

Sunday, May 25

Frank and I have been looking
over a few castles - something like
4 rooms with bath and kitchenette
but the rents are so low there must
be something the matter with
them. Anyhow had a wonderful day
on the 60 Km. from Coblenz to Bingen.
Die Lorelei is "so kühl und es dunkel."
Someday I'll write you a letter. Love.
