

Dear Tom Walker,
This Christmas card
is just for you and
you don't have to
divide it. No one
appreciates the
abused, hen pecked
husband unless
she has one in her
own family so I
send greetings and
hope Santa will
bring you some-
thing so nice that

every body will
rage with jealousy.
This greeting goes to
your home address
so your wife may
see you are still
a wild heart-breaker.
Be good but not too
good for the
coming year and
maybe Danty will
remember you
again some time.
Good luck
